Show all DBE firms being claimed for credit, regardless of tier. Attach written confirmation from each DBE shown stating that it will be participating in the contract to perform the specific work shown for the specific amount agreed to.

The names of the 1st tier DBE subcontractors and items of work must be consistent with the Subcontractor List (Pub. Cont. Code § 4100 et seq.).

Failure to submit a signed DBE Confirmation form and submit copies of the DBE quotes will result in disqualification of the DBE’s participation.

*Each DBE prime contractor must enter its certification number and show all work to be performed by DBEs, including work performed by its own forces.

*If 100% of an item is not to be performed or furnished by the DBE, describe the exact portion of the item to be performed or furnished.

*Use NAICS or Work Category Codes from the California Unified Certification Program database.

* NAICS: North American Industry Classification System.

DBE GOOD FAITH EFFORTS
1. List items of work the Bidder made available to Disadvantaged Business Enterprise (DBE) firms. Identify items of work the Bidder might otherwise perform with its own forces, items that have been broken down into economically feasible units to facilitate DBE participation, and items for which the Bidder has established flexible time frames for performance and delivery schedules in a manner that encourages and facilitates DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.
