Show all DBE firms being claimed for credit, regardless of tier. Attach written confirmation from each DBE shown stating that it will be participating in the contract to perform the specific work shown for the specific amount agreed to.

The names of the 1st tier DBE subcontractors and items of work must be consistent with the Subcontractor List (Pub Cont Code § 4100 et seq.).

Failure to submit a signed DBE Confirmation form and submit copies of the DBE quotes will result in disallowance of the DBE’s participation.

1 Each DBE prime contractor must enter its certification number and show all work to be performed by DBEs, including work performed by its own forces.

2 If 100% of an item is not to be performed or furnished by the DBE, describe the exact portion of the item to be performed or furnished.

3 Use NAICS or Work Category Codes from the California Unified Certification Program database.

*NAICS: North American Industry Classification System.

Total Claimed Participation $ 581,951.38

15.0%

The bidder acknowledges that it is committed to use the DBEs shown on this form to meet the contract goal (49 CFR 26.53).

Email, Fax, & Telephone Solicitation Log

Project Name: Install roadside warning signs

Contract/Bid #: 07-319304

Awarding Agency: Caltrans

Log Details

• All emails and faxes were sent and tracked through DBEGoodFaith.com's automated solicitation and logging system.

• The solicitation system makes up to 5 attempts to successfully deliver a fax as long as a human does not answer the call. If a human answers the call, only 1 attempt is made.

• The solicitation system attempts to successfully deliver emails until the response from the recipient's email server requests that no other attempts be made.

• All calls are performed by real people. No calls are pre-recorded.

Re-Sent Solicitation Log

Project Name: Install roadside warning signs

Contract/Bid #: 07-319304

Awarding Agency: Caltrans

Log Details

• This log contains the delivery statuses for the emails and fax notices that were re-sent during the telephone solicitations that were performed for this order.

• All emails and faxes were sent and tracked through DBEGoodFaith.com’s automated solicitation and logging system.

• The solicitation system makes up to 5 attempts to successfully deliver a fax as long as a human does not answer the call. If a human answers the call, only 1 attempt is made.

• The solicitation system attempts to successfully deliver emails until the response from the recipient’s email server requests that no other attempts be made.
