Re: Request for Bid Relief – Contract # 12-0T3304

Dear Sir / Madam,

You are hereby requested for Bid relief for the contract which we were the lowest bidder. We made an entry error for the item # 21 Transportation Art. As per attached the purchase cost of this item provided by Caltrans for Bidding purposes was included in the special provisions for $107,514.37. Our intended bid price which would have included the installation cost was $110,000.00 However, due to typographical error we mistakenly entered only $10,000.00 which was $100,000.00 below our intended bid amount. See attached excerpt from the Special Provisions for the purchase price of the Transportation Art for your reference.

Your consideration in allowing us to be relieved from this bid is greatly appreciated.
