Dear Mr. King:

The Department of Transportation (Caltrans) received a bid submitted from Mercer-Fraser Company, Inc. (Mercer) for the above referenced contract on July 16, 2019. By this letter, Caltrans notifies Mercer that its bid is non-responsive.

This was a Cost + Time (A+B) contract and each bidder must submit a bid for the A (bid Items) portion, and a bid for an estimated number of working days at Caltrans' predetermined rate for the B portion. These two figures are added together for comparison purposes to determine the ranking of the bidders. Although, Mercer did include the "A" amount for the contract, Mercer failed to list the estimated number of days for "B", making this an incomplete bid. Mercer is no longer eligible for award.

Based on the above, Caltrans will proceed to award this contract to the lowest responsive bidder, provided that all the requirements have been meet.

If you have any questions, please contact Irene Beckham, Acting Contract Awards Branch Manager, at (916) 227-6284.

Sincerely,
