Dear Ms. Sewell,

Cal Valley acknowledges Granite's protest regarding the other contractors on the above referenced project. Cal Valley did, in fact, submit our full DBE good faith effort and the proper support documentation that we achieved the DBE goal and it was submitted in the time allotted in accordance with Caltrans' specifications. Please see backup from FedEx and the supporting Caltrans forms that were sent and received by Caltrans.

We have no comment on any other contractors bid or subsequent submittals. We trust Caltrans will do their proper due diligence and award the project to most responsive contractor.

Please contact me with any questions you may have.
