RE: Contract 08-1F3624, San Bernardino  
Claim of inadvertent clerical error  
Date of Bid: August 20, 2019

Dear Ms. Sewell,

Independent Structures, Inc. is asserting a claim of inadvertent clerical error regarding the listing of a subcontractor on the above referenced project. Our inadvertent error is described as follows.

Independent Structures, Inc. intended to list Maneri Traffic Control, Inc. for 100% of items 1 and 3 (Construction Area Signs and Traffic Control Systems). We listed them in the proper forms provided by CalTrans in the bid book and we believed we hit YES under "List this Subcontractor"; however, it did not register and NO was selected in error.

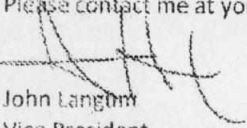

Pursuant to Section 4107.5, which in part states:

***The prime contractor as a condition to assert a claim of inadvertent clerical error in the listing of a subcontractor shall within two working days after the time of the prime bid opening by the awarding authority give written notice to the awarding authority and copies of that notice to both subcontractor he or she claims to have listed in error and the intended subcontractor who had bid to the prime contractor prior to the bid opening.***

Independent Structures, Inc. has notified Maneri Traffic Control, Inc. of this inadvertent clerical error via phone and emailing of this notification, and also sending a hard copy via overnight Federal Express.

Based on the above description, Independent Structures, Inc. is requesting CalTrans consent to the error and recognize that Maneri Traffic Control, Inc. was listed but the wrong box was checked.

Please contact me at your earliest convenience if you have any questions with this request.

John Langum  
Vice President  
Independent Structures, Inc.

Furthermore, my question to the state is why is there a YES and NO option if there is a subcontractor listed in the Subcontract Listing?

CC: Maneri Traffic Control, Inc.
