Dear Mr. Hoseley:

The Department of Transportation (Caltrans) received a bid from Hoseley Corporation (Hoseley) for Contract 10-1G7214 on August 13, 2019.

On August 16, 2019, Hoseley requested that its bid be withdrawn from consideration. Hoseley claimed a mistake in their DVBE submission as Hoseley found that Johnston and Sons Electric, Inc. (Johnston) submitted their quote to Hoseley thinking that Platt quote included the material for the six EVSE setups. The error would not allow Johnston to complete the work at the quoted amount provided to Hoseley. The quote submitted by Johnston was \$202,000.00 less than the required amount needed to cover the full cost of the materials needed to complete the work.

In accordance with Hoseley's request, Caltrans finds that all the elements of Public Contract Code Sections 5101 and 5103 have been met; therefore, the bidder is hereby relieved of its bid without forfeiture of its bid bond.

If you have any questions, please contact Irene Beckham, Acting Contract Awards Branch Manager, at (916) 227-6284.

Sincerely,
