NOTES:
1. Expansion joint to match deck joint.
2. Continue (a), (b), and (c) longitudinal reinforcing.
   See Type 80SW typical section on Standard Plan B11-62.
3. Post to be spaced equally, typically 6'-8" spacing. Post spacing may be reduced where location of hinges or expansion joints or the length of wingwalls will not accommodate the 6'-8" spacing. Maximum see-through availability is to be strived for, where 6'-8" post spacing cannot be achieved.
