1. The first number listed is the dimension from the edge of the sign panel to the center of the second number listed in the dimension between centers of successive fixtures.
2. Where adjacent sign panels are spaced 1'-0" or less, the combination of these panels (and spaces) shall be considered a single panel.
3. Physical configuration and mounting details may vary from what is shown.

**NOTES:**

1. Material is 0.135" hot-dip galvanized sheet steel after fabrication.
2. Left side is symmetrical with right side.
