

2018 STANDARD PLANS DIGEST

October 19, 2018

The 2018 edition of the California Department of Transportation Standard Plans is based on U.S. Customary units. This is the fourth edition since the Department reverted back to U.S. Customary units as its base units.

The 2018 edition of the Department's Standard Plans is to be used in conjunction with the 2018 edition of the Department's Standard Specifications.

The 2018 edition of the Department's Standard Plans was developed by incorporating the revisions made to the 2015 edition of the Department's Standard Plans. No additional revisions were included.
