RE: 04-0P9304; Correction of Clerical Error

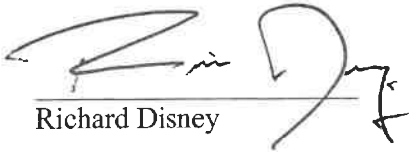

Dear Mrs. Perez-Hollins,

This letter is to notify the California Department of Transportation that Disney Construction, Inc (DCI) committed a clerical error in DCI's bid yesterday for Contract # 04-0P9304. Per Public Contract Code 4104, please accept this letter as correction to DCI's bid regarding the following clerical error on the electronic subcontractor list form:

- DCI mistakenly listed Highway Specialty Co.'s CSLB number as 1559500. DCI would like to amend this subcontract listing to the correct CSLB number which is **1003147**.

Please note we are submitting this letter within the 24 hours closure period of bid 04-0P9304 and Per Public Contract Code 4104 we are permitted to correct improper subcontractor CSLB numbers.

Sincerely,
