Dear Mr. Studebaker,

The Department of Transportation (Caltrans) received a bid submitted Studebaker Electric, Inc. (Studebaker) for the above Non-Federal Aid Contract on May 30, 2024. By this letter Caltrans notifies Studebaker that its bid is nonresponsive.

As part of the review process, Caltrans conducts a search on the Contractors State License Board (CSLB) website to confirm the license(s). According to the CSLB, Studebaker possesses a license for B (General Building) and C10 (Electrical).

Caltrans directs your attention to the "Notice to Bidders" for the above contract which states in part: "The Contractor must have either a Class A license or any combination of the following Class C licenses which constitutes a majority of the work: C-10, C-42." Since Studebaker is neither in possession of a Class A license or the combination specified, nor is the majority of the work performed for the above-referenced contract under a C-10 classification, its bid is non-responsive.

Based on the above, Caltrans will proceed to award the contract to the lowest responsive and responsible bidder.

Mr. David Studebaker
