Re: Caltrans Contract No. 07-344904
Subject: Correction of Clerical Error

Dear Ms. Perez-Hollins,

This letter is being written in accordance with Public Contract Code Section 4107.5, which states "The prime contractor as a condition to assert a claim of inadvertent clerical error in the listing of a subcontractor shall within two working days after the time of the prime bid opening by the awarding authority give written notice to the awarding authority and copies of that notice to both the subcontractor he or she claims to have listed in error and the intended subcontractor who had bid to the prime contractor prior to bid opening." Per the above Stacy and Witbeck, Inc. (SWI) asserts a claim of an inadvertent clerical error and is providing the following correction to the subcontractor list submitted with its bid.

- AZ Construction Inc. DBA Ace Fence Company ("ACE") was inadvertently listed for Bid Item 64 Vegetation Control (Minor Concrete). This scope of work was not quoted by ACE and was intended to be self-performed by SWI.
- The correct Bid Item listing for AZ Construction Inc. DBA Ace Fence Company ("ACE") is:
 - Bid Item 22, 62, 63, 65, 66, 70, 90 and 91 in the percentages identified with the bid

Please note that this correction is immaterial to SWI's bid, does not affect SWI's listed subcontractor(s), and does not provide SWI with an advantage. We submit this letter within the required two working days of Contract 07-344904's bid opening and request that Caltrans accept the above noted corrections.
