Project: CT 07-350404 RT 1, 10, 90 AT VARIOUS LOCATIONS, SANTA MONICA
Bid Date: 12/3/2024 **Bid Time:** 2:00 PM

The following is our proposal for the landscape and irrigation on the above referenced project per the plans and specifications limited to:

Architect: George Olguin

Sheets: ISS-1, IR-1, IP-1, IQ-1, PL-1, PP-1, PQ-1 (Dated: 09-26-2024), RSP H5 (Dated: 01-22-2024)

Dated: Caltrans 2023 standard detail: H2, H6, H9 (Dated: 05-01-2023)

Spec. Sect.: Special Provisions: Section 20; Caltrans Standard Specification 2023: Section 20

Wage: State Prevailing

Addenda: 1-2

The intent of this proposal limits the performance of work as listed in the above plans, specifications, and addenda.

We will coordinate work with other applicable trades as required.

SEE ATTACHED BID BREAKDOWN

Marina is an established union contractor signatory to Operating Engineers, Pipefitters and Laborers Unions, with over 53 years of experience and the ability to bond our projects (add 1% as a change order to the contract).

Bond's will be supplied on Philadelphia Indemnity Insurance Company form.

This proposal is based on AGC Subcontract Agreement, if accepted, it will be part of our contract.

Qualifications:

- Site to be received in a clean, weed free condition at +/- .10' of finished grade.
- Any areas requiring import of materials shall be received at prepared subgrade elevations.
- Spoils generated from plant excavations shall be spread onsite.
- Pricing includes two mobilizations; first mobilization for sleeving; second mobilization for irrigation and planting. Any additional moves shall be billed at a minimum rate of \$ 2,000.00/each.
- Proposal and pricing are valid for (30) days from the date of this proposal.
- Base proposal including any additive or deductive alternates or optional scope must be executed within (30) days of award of contract.
- Marina reserves the right to reject contract if base bid scope is not executed.
- Landscape trenches shall be performed with conventional equipment and methods; any required use of backhoes, jack hammers, track-hoes, blasting, de-compaction by ripping, excavation in caliche or other natural rock conglomerates, tree roots, underground construction or other obstructions, shall be subject to time and material rates and not included as part of this proposal.
- Any large trees or palms, pipe and wire shall be installed prior new paving or hardscape.
- Protection of paving or hardscape by others.
- Adequate equipment access, including access for hoisting must be provided by General Contractor/ Owner; restrictions to equipment accessibility will be subject to T&M rates. Standby rates are \$75.00 per man, per hour, equipment rates are \$135.00/hour.
- All plant material is subject to availability and treated as a perishable commodity, no guarantee can be provided for material installation. If plant materials are available for a 'Contract-Grow Agreement' and time-permitted, the Owner/General Contractor may execute this option to ensure plant availability, which will require a deposit of 50%, this fee to be paid by General Contractor/Owner within (30) thirty days of execution of agreement.
- Marina will not begin the submittal process until either a contractual agreement, notice to proceed (NTP), or letter of intent (LOI) is received. Submittals and shop drawings shall be subject to billable dues and paid for prior to beginning the submittal process. Contractor agrees to pay for any/all advanced purchased material goods or deposits for this project once submittal is approved. Marina to provide a schedule of values with a mobilization item outlining the above deposits or contract-grow fee schedule. All orders must be in writing and subject to acceptance by Marina - no verbal orders will be accepted.
- Cancellation of orders will not be accepted without prior written authorization and subject to additional charges up to 100% of total prices based on incurred costs by Marina at time of cancellation.
- Marina will not be responsible for areas destroyed or damaged by pedestrians, other contractors, weather, acts of God or anything beyond our control.

Project: CT 07-350404 RT 1, 10, 90 AT VARIOUS LOCATIONS
Bid Date: 12/3/2024 Bid Time: 2:00 PM

Exclusions: Unless specifically noted on price breakdown as part of this proposal.

- Import/export of soil/topsoil.
- Demolition, removals, rock removal, clearing, grubbing, roadside clearing.
- Permits/testing/auditing/inspection fees, sand testing per OSHA.
- Water meters, water costs/fees, hot-tapping or service lines.
- Utility identification, pot-holing or navigating around existing utilities that are not buried at a depth consistent with state/ local building codes.
- Electrical meters, pedestals or service line connections including but not limited to temporary or permanent electrical power and connection to irrigation controllers and/or irrigation booster pumps.
- Saw-cutting, breaking or removal of asphalt paving or concrete, temporary or permanent patching of concrete or asphalt, trench plates.
- Coring, boring, jacking or hydraulic drilling.
- Traffic control, survey, drainage, waterproofing, concrete paving or mowcurbs, masonry, fencing, asphalt paving, temporary facilities, construction of tree wells, site furnishings.
- Protection or protection devices, relocation, repair, or maintenance of existing landscaping, utilities, or hardscape.
- Stormwater pollution prevention plans, monitoring or implementation of BMP's or erosion control, lead compliance, street-sweeping or dust control.
- Removal, disposal or maintenance of all erosion control BMP's.
- De-watering or handling of wet materials.
- Unit price shall prevail according to quantity specified on bid breakdown.
- All items will be field-measured per quantities installed for final billing.
- Payment & Performance Bonds. (If requested, bonds may be added as a change order to the proposed contract at a rate of 1%).
- Overtime, nightwork, or task lighting.
