Re: Project # 07-398504 Bid Protest

On October 1,2024 the above referenced project bid and PK Construction was the apparent low bidder.

At which time we signed the CUETA and returned it via email to Saray Munoz on October 3,2024. We added the DVBE forms along with this CUETA form in an email form of which the analyst confirmed receipt of the email.

It appears from the information on Caltrans Web site the qualifying bidder would be the third bidder for an increased amount of \$ 135,000 to install the fencing.

Being that the bids are being submitted electronically, there is no clear indication that the post bid forms cannot be submitted via email and then emailed.

It has been explained that its Caltrans requirement to receive the documents via mail / hard copy.

PK Construction protest award of 07-398504 and would request that the Agency review the Special Provisions and the Standard Specifications and determine the best decision on this award.

Respectfully

PK Construction
