Attn : April Perez-Hollins, Office Chief, Construction Contracts Award  
RE : 08-1J4504; Correction of Clerical Error

*M*

Dear Mrs. Perez-Hollins,

This letter is to notify the California Department of Transportation that All American Asphalt (AAA) committed a clerical error in AAA's bid yesterday for Contract # 08-1J4504. Per Public Contract Code 4107, please accept this letter as correction to AAA's bid regarding the following error on the electronic subcontractor list form:

- AAA originally listed Pavement Recycling System, Inc. (PRS) for bid item #95 because PRS indicated this number on their original proposal. However, the correct bid item for PRS is #97. They subsequently submitted a revised quote with the correct item number after the bid closing. The scope of work and price remained unchanged in this revised quote.

Note that this correction is immaterial to AAA's bid and doesn't affect AAA's listed subcontractors nor does this correction provide AAA with any advantage of any bidder. We submit this letter within 24 hours of Contract# 08-1J4504 bid date and time and request that CalTrans accepts the above noted corrections.

If you have any questions or require any additional information, please feel free to contact me directly at (858) 776-8840.

Sincerely,

Edward Ryu  
Project Manager / Estimator
