Dear Ms. Armogeda:

The Department of Transportation (Caltrans) is rescinding its letter dated November 14, 2023, to Calpromax Engineering, Inc., (Calpromax) finding its bid nonresponsive for late submission of the Disadvantaged Business Enterprise (DBE) post bid submittal.

Calpromax provided a letter dated November 16, 2023, from General Logistics Systems (GLS) regarding the late delivery of their DBE submittal. The DBE submittal was sent on Monday, November 6, 2023, using the GLS next day delivery service. GLS acknowledged that their error in noting that the package was "Stuck to another package" which led to the late delivery. Because of GLS's error, the submittal was not received until November 8, 2023, which was after the submittal date of November 7, 2023.

Having reviewed the supporting documentation and letter provided by GLS, Caltrans is rescinding its nonresponsive bid determination and will proceed to award this contract to the lowest responsive and responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Juan Loera, Contract Awards Office Chief at (916) 227-5964.

Sincerely,

April Perez-Hollins
