

# Second Bidder

12-06-24A11:09 RCVD

STATE OF CALIFORNIA - DEPARTMENT OF TRANSPORTATION  
**IN-USE OFF-ROAD DIESEL-FUELED VEHICLE LIST**  
DOT DES-OE-0102.14 (NEW 09/2023)

CONTRACT NO.  
**08-1N6904**

BIDDING FIRM **Martin Marietta San Diego Aggregates LLC dba ATP General Engineering Contractors**

Under 13 CCR § 2449 *et seq.*, list the fleet name and Off-Road Diesel Fleet Identification (DOORS ID) number for every fleet used by you or your subcontractor to perform the work below.

Check here if all fleets used to perform work are not subject to 13 CCR § 2449 *et seq.* Submit the blank form as part of the bid.

| Fleet Name                           | DOORS ID Number |
|--------------------------------------|-----------------|
| ATP General Engineering Contractors  | 12670           |
| BC TRAFFIC SPECIALIST                | 134961          |
| DIVERSIFIED LANDSCAPE CO.            | 6427            |
| Tesoro Contractors, Inc.             | 224605          |
| G3 Quality, Inc.                     | N/A             |
| AWP Safety                           | N/A             |
| Endemic Environmental Services, Inc. | N/A             |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
|                                      |                 |
