Subject: Subcontractor Listing – Inadvertent Clerical Error
Caltrans Contract # 12-OR32U4
Bid Opening Date 1/07/25

Dear Sir/ Madam,

RJ Noble Co. submitted a proposal for the above mentioned contract at 2:00pm on January 7, 2025. We are advising that we made an inadvertent clerical error on the Subcontractor's listing by mistakenly leaving out the license number and DIR number for DRS Rebar Inc. for items # 185-189. The license number and DIR number for their other bid items was listed at time of bid however, they were inadvertently not entered at bid time. We meant to list the license # 981885 and the DIR # 1000048191 for these items. DRS Rebar Inc. was also inadvertently listed for item # 183 – (Portion) Concrete Barrier (Type 60MG) twice. I hope this letter will clarify any possible minor irregularities with the subcontractor listing for this project. Please feel free to contact me with any questions you might have regarding this matter.

Sincerely,

Jacob Breedlove
Vice President of Construction
