Dear Sir/ Madam,

RJ Noble would like to clarify that work to be performed by DRS Rebar Inc. for the portion of concrete barrier items # 174, 182, 183, 185-189, and 225 is for rebar placement for the concrete barrier. We would also like to further clarify that Dees Burke Engineering Constructors, whom was listed for a portion of the same items, will be performing the form and concrete pour of the concrete barrier. Please feel free to contact me if you have any question.

Sincerely,

Jacob Breedlove
Vice President
